In 1970, SDA Chiba English School was established and added its Japanese course in 1993. 3H Japanese School was founded by Pastor Suk-Man Kim, a Korean missionary to Japan, with his passion to cultivate human resources and provide opportunities for the bright futures of young non-Japanese students.

Principal's Message

Sooho Kim
Principal,
3H Japanese Language School

Dear future students,
Do you have a dream? If so, what is your dream? Are you working hard towards your dream?

Having your own dream is very important because it drives you to build your future.

In addition, it is crucial to evaluate if your dream is intended for the benefit of yourself and your family only, or for the sake of others and society.

It is true that helping others and feeling a sense of purpose in life is linked to a greater happiness. Therefore, we hope you to have a big dream which benefits others and the society.

We would like to support to make your dream come true.
